The Lyndhurst model combines a classic, traditional home with a modern layout, making it perfect for your family. The home offers 3 beds and 2 baths, and an open-concept main living space. As you enter, you are greeted by a charming front living room. A few steps down the hallway lie the beds and baths. A spacious great room opens to the kitchen and dining area, featuring large windows for plenty of natural light. A large walk-in pantry and kitchen island provide the perfect space for prepping and cooking family meals to enjoy at the dining table. Find the owner's suite near the great room with a spacious ensuite bath and walk-in closet. If more space is needed, an optional finished basement will provide an additional 4 bedrooms, bathroom, storage space, and a family room. Two of the basement bedrooms showcase walk-in closets.
