VISIONARY HOME

- **ACCESS ANYWHERE**

Control your lights, adjust the temperature, view cameras, and get security alerts from anywhere with the Control4 app, bringing you safety at home and peace of mind while away.

- **THERMOSTAT EFFICIENCY**

- Program your thermostat for optimal level of comfort in the most efficient way possible, saving you money and stress with the Control4 Wireless Thermostat by Aprilaire.

- **LIGHTING THE WAY**

Set your exterior lights to turn on automatically when the garage opens, offering a safe welcome home. Also, with the simple push of the Goodnight button, all lights turn off, doors lock, the security system clicks on, and the thermostat sets to a desired setting.

- **CONFIGURABLE KEYPAD**

Customize your control keypad to best fit your needs as far as flow, organization and font size. Set your controls

to customize a Goodnight button and turn selected lights off, doors to lock, security system to enable and the thermostat to set to your desired setting.

- **DEADBOLT LOCK FROM KWIKSET**

Easily assign a custom code to get into your home instead of fumbling for keys. You can also assign temporary codes to give someone access to your home while you're away.

- **VIDEO DOOR BELL**

See who is at your door before they knock from the convenience of your couch.

- **GARAGE DOOR CONTROL**

Check when your loved ones come and go by getting alerts every time your garage door opens or closes.

- **TV CONTROLLER**

Control any TV from anywhere in your home.
